

Gas Chromatography Analysis

Dear Customer,

Attached you will find the results of gas chromatographic analysis based on the information provided by our Producer/Laboratory for:

Sample Reference 1942

We testify that the Chromatographic Analysis (GC) for the mentioned sample is identical with:

Product Name: Lemongrass (citrata) organic

Botanical Name: Cymbopogon citratus

Batch No.: 1041643

Bühl, 08.05.2023

Component	GC Value (%)
Camphene	1,63
Methyl Heptanone	1,76
Limonene	0,35
Neral	30,33
Geranial	39,49
Geraniol	6,03
Geranyl Acetate	2,90
beta - Caryophellene	1,43
alpha - Pinene	0,29
